MKONO GLOBAL · EXECUTION AS A SERVICE

Real requests. Real evidence.

Six real requests from clients abroad, and what we did on the ground in Kenya. You approve. We execute or verify. You receive the evidence.

Not a promise. Evidence.

01 | MEDICATION

Every month since March 2020. Never missed.

THE REQUEST Medication bought online cost almost three times the price at a chemist in Kenya.

WHAT WE DID A licensed chemist near her, the best price, the right dose, every month.

Not a promise. Evidence.

mkonoglobal.com

YOUR PROOF

Pharmacy receipt, a photo of the medication, the recipient's WhatsApp confirmation

EXECUTION AS A SERVICE

02 | UNIVERSITY FEES

Paid on Saturday. In the exam room on Monday.

THE REQUEST

Fees had to clear before a Monday exam. The client reached us on Friday morning.

WHAT WE DID

Paid at the bank before the Saturday noon cutoff, never through an agent. He sat the exam.

Not a promise. Evidence.

mkonoglobal.com

YOUR PROOF

Bank slip for the payment to the university's account

EXECUTION AS A SERVICE

03 | A PLACE TO STAY

We checked the street, not the room.

THE REQUEST

A first-time visitor worried the listing photos might not be real.

WHAT WE DID

Booked the stay, then checked the area: quiet, no construction, no nightclubs, no flooding at the gate.

YOUR PROOF

Booking confirmation, check-in details, photos and video of the surroundings

Not a promise. Evidence.

04 | SCHOOL TRIP

Paid on time. On the trip.

THE REQUEST

A Grade 8 educational trip to the coast, with a deadline at the school.

WHAT WE DID

Paid by bank deposit, never through a bank agent. The student went on the trip.

YOUR PROOF

Bank deposit slip and the school's official receipt

Not a promise. Evidence.

06 | INTERNET AT HOME

The right router. The right plan. Working at home.

THE REQUEST Home internet for a family member studying at home.

WHAT WE DID Advised a Safaricom 5G router and the right 30-day plan, set it up, and left only when it worked.

Not a promise. Evidence.

mkonoglobal.com

YOUR PROOF

Receipts for the router and plan, photos and video of the setup
